ABOUT US

MoneyAcademyKE (MoeCapital) is a digital financial media platform focused on financial literacy, investment research, market analysis and business news.

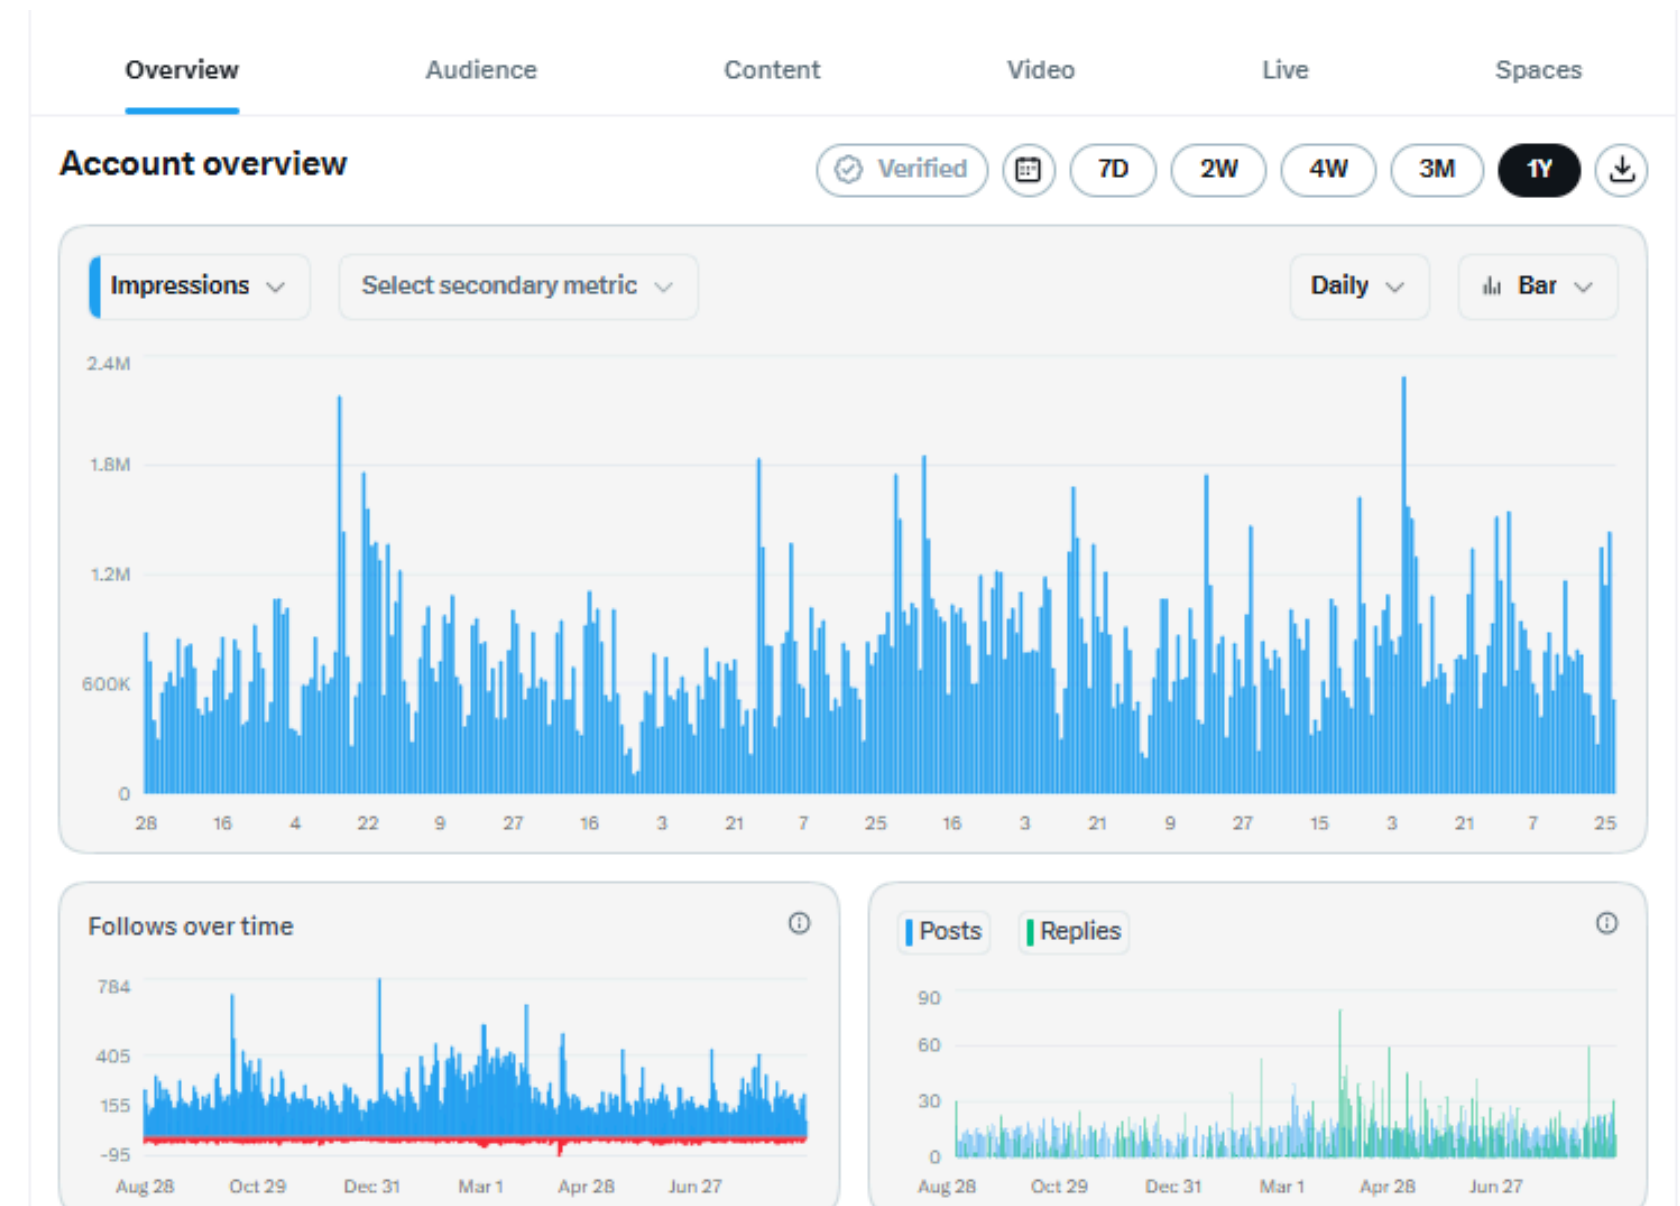

We simplify complex financial and business information and make it accessible to retail investors, young professionals, entrepreneurs and the wider Kenyan audience.

Our work sits at the intersection of finance, business, investment, technology and digital communication, helping brands communicate complex products and ideas in a simple and engaging way.

OUR REACH & ENGAGEMENT

MoneyAcademyKE has built a highly engaged audience within Kenya's financial and business ecosystem.

WHAT WE DO:

1. FINANCIAL & EDUCATIONAL CONTENT

We simplify complex financial products, services and concepts through engaging digital content.

Includes:

- Educational X posts
- Explainer threads
- Investment-focused content
- Financial product explainers
- Market analysis
- Company analysis

2. BRAND CAMPAIGNS

We develop digital campaigns designed to help brands build awareness, educate audiences and generate meaningful engagement.

3. CORPORATE & INVESTOR COMMUNICATION

We help companies communicate:

- Financial results
- New products
- Strategic initiatives
- Partnerships
- Corporate announcements
- Investor-focused information

5. CAMPAIGN AMPLIFICATION

We use our established audience to amplify relevant brand messages and create conversations around products, services and campaigns.

4. LIVE EVENT COVERAGE

We provide digital coverage and amplification for:

- Product launches
- Conferences
- AGMs
- Financial events
- Corporate announcements
- Industry events

BINANCE | CAMPAIGN CASE STUDY
