## UNAUDITED FINANCIAL RESULTS FOR THE SIX-MONTH PERIOD ENDED 30 JUNE 2026

The Board of Directors of Britam Holdings Plc is pleased to announce the unaudited consolidated results for the period ended 30 June 2026.

### PERFORMANCE HIGHLIGHTS

The Group delivered a strong performance for the six-month period ended 30 June 2026, with a profit before tax of Shs 3.8 billion, up 52% from Shs 2.5 billion in the prior period. The results provide a solid start to the Group's **ASCEND** Strategy and underpins the Group's long-term growth prospects.

#### Topline Performance

Insurance revenue grew by 13.7% to Shs 22.4 billion, up from Shs 19.7 billion. This performance was driven by sustained growth across all our business lines, reflecting continued customer confidence in the Britam brand and the strength of the group's distribution and partnership networks across its markets. Interest and dividend income increased to Shs 12.0 billion, supported by disciplined portfolio management and the continued optimization of investments.

Net insurance service results improved to Shs 1.8 billion, up from Shs 1.3 billion, a 36% increase that reflects improved underwriting performance in both the Life and General insurance businesses, despite a relatively higher level of claims within some of the business lines. This strengthening of the core insurance result demonstrates the effectiveness of Britam's underwriting discipline and the underlying quality of the insurance portfolio.

#### Financial Position

The Group maintained a strong financial position, with total assets increasing to Shs 270.8 billion and total equity rising to Shs 37.6 billion. This growth highlights the group's robust capital position and provides a strong foundation to support future growth opportunities across the region.

#### Strategy and Outlook

2026 marks the inaugural year of Britam's **2026–2030 ASCEND** Strategy, which is designed to accelerate sustainable and profitable growth, strengthen customer experience, deepen our Pan-African footprint, and build a future-ready, digitally enabled organization. The positive first half results provide encouraging early evidence of progress against the strategy's objectives and confidence in the Group's long-term growth prospects.

The Group remains focused on delivering sustainable value for shareholders and other stakeholders through disciplined execution of its strategic priorities and continued operational excellence.

#### Dividends

The Board of Directors does not recommend the payment of an interim dividend for the half-year period ending 30 June 2026.
